

The Minnesota Multi Housing Association is a state-wide, non-profit trade organization that promotes the highest standards in the development, management and maintenance of rental housing. Our members strive to provide housing that gives their residents pride and dignity.

MHA was founded in 1967 to protect the interests of the industry, which houses nearly one-third of the state's population. MHA is one of the strongest and most emulated housing associations in the country.

Buyer's Right to Cancel

Tuition will be refunded or transferred at no extra charge upon receipt of written notice at least 5 days prior to the course start date. If the student gives written notice after the course has begun but not before the course is three-fourths over, he or she will be refunded the pro rata portion.

The **Certified Residential Manager (CRM)** program, offered by the Minnesota Multi Housing Association, is a comprehensive overview of property management theory, marketing, landlord/tenant law, budgeting, fair housing law, preventive maintenance and much more. The CRM program provides training in all aspects of market-rate residential property management; tailored for those building a career in the industry. Successful graduates earn a designation that is recognized and respected in the multi-housing industry, both in Minnesota and nationwide.

CRM students attend classroom instruction, monitor their municipalities, complete a management plan, earn 24 hours of elective credits by attending MHA-sponsored seminars (of which one must be on healthy building issues), and must score 76% or better on the final examination. All classes are held at the MHA office, unless noted other wise. Students are asked to sign a release so that MHA may keep supervisors informed of their progress.

Continuing the pursuit of excellence is a benchmark for the quality of the CRM program. As such, designees are required to attend a minimum of 5 hours of MHA-sponsored continuing education per year in addition to an annual re-certification fee of \$25/members - \$50/non-members.

Enrollment is limited to property management professionals with at least one year of relevant experience. Applicants with less than one year of experience will be considered with a letter of recommendation from a current supervisor. Class size is restricted, registrants will be accepted on a first-come, first-served basis.

To register, please complete the application below and return to MHA via fax or mail. If you have any questions regarding the application process or the benefits to both you and your employer of receiving a CRM designation, please contact Angie McKinley at (952) 548-2202 or Carla Bush at (952) 548-2219.
